

## ALEKSANDRA ANĐELKOVIĆ, PhD

**Associate Professor of Business Management**

**Work Package Coordinator**

She graduated and received her master's and doctoral degrees at the Faculty of Economics of the University of Niš. Her research interests include: business logistics, supply chains and distribution networks. She has (co)authored more than 70 scientific papers and coauthored two monographs.

She participated in the implementation of a number of domestic and international projects (Interreg-IPA, Horizon Europe). For the Serbian partner, she coordinated the implementation of the international project Master in Logistics 2.0, which was supported by the International

University of Logistics and Transport in Wrocław, Poland, and which was financed by the National Agency for Academic Exchange from Poland.

She is a member of the Serbian Marketing Association and is on the list of reviewers of the National Body for Accreditation and Quality Assurance in Higher Education of the Republic of Serbia.

Within the academic mobility framework, she was a guest lecturer at the D. A. Tsenov Academy of Economics in Svishtov, Bulgaria (2018). As a guest lecturer, she gave a lecture at the Russian Customs Academy (2017). As a scholarship recipient of the Austrian Agency for International Cooperation in Education and Research, she was twice a visiting researcher at the University of Economics and Business in Vienna (2015 and 2011) and once at the University of Vienna (2013).
